Non Tolerance of Abusive Behaviour towards Staff and Volunteers

The Sanday Development Trust support the right of their employees and volunteers to carry out their roles and activities without fear of being abused verbally or physically. All of the Trust's employees and volunteers aim to be polite, helpful and diligent in carrying out their duties and we ask that others treat them with similar courtesy and respect.

Sanday Development Trust will take action on all instances of abusive, threatening or violent behaviour against staff or volunteers and, in extreme cases, the police may be informed.
