Membership of the Sanday Development Trust

The Sanday Development Trust is a membership-based organisation. You can become a member of the Trust if your main residence is in Sanday and you are over 18 years of age.

The following sums up what the Sanday Development Trust hopes to achieve for Sanday:

"To create an economically prosperous, sustainable community that is connected to the wider world, but remains a safe, unspoilt environment, where we are proud to live, able to work, to bring up , and educate our children, to fulfill our own hopes and ambitions, and to grow old gracefully, enjoying a quality of life that is second to none."

If you would like to support the Sanday Development Trust in its work towards this vision, please become a member. There is no charge to join and all you need to do is to complete the one-off membership form below.

By completing and signing the form, you enable the Trust to demonstrate that it has public support for its activities and you are entitled to receive regular updates on the Trust's activities, to vote on decisions and to elect directors to the Board at the AGM.
